The Cooper Health System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The Cooper Health System takes responsibility for the content, quality, and scientific integrity of this CME activity.

The Cooper Health System designates this live activity for a maximum of **1 AMA PRA Category 1 Credit™ per session**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of one hour of a continuing medical education (CME) course recognized by the American Medical Association, the American Osteopathic Association, or the American Podiatric Medical Association is equal to one hour of continuing education for New Jersey nursing license renewal (New Jersey Board of Nursing 13:37-5.3).

The **learner objective** for this activity is to improve relationships between patients and clinical caregivers by:

- Exploring the human dimensions of health care
- Increasing caregivers' insight into the nonclinical aspects of patient care
- Enhancing communication and understanding among caregivers
- Fostering interdisciplinary and intradisciplinary teamwork among caregivers
- Providing support to caregivers

The **intended audience** for this activity includes all practicing physicians on staff. Other health professionals including fellows, residents, nurses, social workers, technicians, therapists, counselors, dietitians, patient care services representatives, and medical assistants may also benefit from participating in this educational activity.
